

School Communications

HOW WE COMMUNICATE WITH PARENTS:

- EMAIL – We communicate with our parents primarily through email. Please be sure that the School Office has an email address for you that you regularly check AND let us know if it changes!
- Website – wamemphis.com – Get to know it! It is important to take time to familiarize yourself with the **Current Families** page.
- Parents should check the website frequently for updated information, especially: the Athletics page for information, forms, and schedules AND the WA Family page for calendar updates, copies of the Weekly, and other communications.
- Westminster Weekly – e-mailed and posted on the website weekly on Mondays. (Please update us during the year if your e-mail addresses change.)
- School Reach – We will be contacting parents through an automated phone system for reminders and / or emergency situations. Please make sure that you inform us of any changes in your contact information.
- Edline - For parents of US students only – Edline is a web based grade reporting service that will allow you to monitor your son/daughter's grades in each class. At Upper School Parent Night, you will receive more information about Edline and your own code to access Edline for the 2011-2012 school year.
