Dear Westminster Academy Parents,

This second year as Headmaster has been a fast one and a delight! My experiences with this academic community of faith have been varied but uniformly delightful. Whether you are beginning your first year here as a family or a “long-timer”, please accept my sincere welcome to Westminster – a school where truth, beauty, and virtue are embraced out of love for Christ. Westminster’s reputation extends across the nation as one of the leading Classical Christian schools and, by God’s grace, we will continue to build on that foundation to His glory.

There will be some of you reading this letter who are new to the school. Let me extend to you the warmest of welcomes as we all look to see what the Lord has in store for your children and Westminster Academy in the coming years. I am pleased to think of all of you as beginning this great adventure along with me!

I will have an opportunity to speak at greater length to you in an August Headmaster’s letter and look forward to doing so. Until that time, I trust your summer will be one of rest and restoration and, upon your return to school in mid-August, you will seek me out so we can get further acquainted.

Regardless of which division your children are in, I encourage you to read the enclosed letters from Debbie Frazier, Head of Lower School and Andrew Smith, Head of Upper School. I believe you will be interested in hearing their thoughts and in the continued commitment to excellence they share. Also, there may be changes in some of the information from previous years, so carefully read all of the contents. If you have any questions at all, kindly call our School Office at 380-9192.

I look forward to seeing everyone on August 15th for Meet the Teacher Day and the beginning of a new school year. Please continue to pray for Westminster for God’s guidance and blessing as we seek to do all to His glory and honor.

In Christ’s Bonds,

Timothy L. Russell
Headmaster
