

WESTMINSTER ACADEMY

Part-time Upper School Science Teacher Job Description

THE POSITION

Westminster Academy, a classical Christian school of 465 students, seeks a qualified part-time upper school science teacher, beginning fall of 2026, to teach middle school Science. Westminster Academy is committed to teaching all truth as God's truth through the lens of Scripture and a Christian worldview.

All employees of Westminster Academy must strive to "love the Lord in front of our students" and make the Christian faith observable in all aspects of the school day and community. This position is a minister of the Gospel in all facets of life at Westminster Academy. He/she is a role model for students and faculty and his/her walk with the Lord should be evident. The Christian mission, vision, and statement of faith of the school must guide the upper school science teacher as he/she interacts with parents, students, faculty, and all those within and outside the Westminster Academy community.

QUALIFICATIONS

The ideal candidate for the Upper School Science Teacher position will have 3-5 years of teaching experience at a classical Christian school and:

1. Possess an obvious love for students and a passion for shepherding their hearts and minds.
2. Hold at least a bachelor's degree in a related field.
3. Display a great passion for and mastery of science and natural philosophy.
4. Cultivate a love for science within students, engaging all their senses, stirring their imaginations, and filling them with wonder.
5. Implement the hallmarks of a classical education—Socratic teaching, the integration of subjects, and the integration of Christian faith to show how science reveals the nature and character of God.
6. Be eager to teach classically, build a biblical worldview for students, and collaborate with other faculty members to foster integration with history, mathematics, art, and theology classes.
7. Display the spirit of a life-longer learner.
